

**seeing
things**

**the
way
a
glimpse
lingers
on
in
our
mind**

**the
way
we
do
not
see
what
is
right
in
front
of
us**

**the
way
we
recognise
that
which
we
cannot
recall**

**the
way
we
read
between
the
lines**

**the
way
we
see
the
same
thing
in
different
ways**

**the
way
we
see
out
of
the
corner
of
our
eye**

**the
way
we
travel
the
distance
between
word
and
meaning**

**the
way
a
thought
comes
and
goes**

**the
way
we
see
things
as
if
for
the
first
time**
